### Job/Position title:

Youth Director

### Position description:

Bay Shore Lutheran Church is a loving congregation in Whitefish Bay, WI which seeks to share God's love abundantly with all people. We recognize the need for specific youth ministries to serve our current youth and we hope to reach out to youth in our neighborhood as being a welcoming place for them as they grow into adulthood. Bay Shore is affirming, and is open to all youth. We are in the midst of a Strategic Plan Process which will help us become more visible in our community and be a stronger presence of God's Love in the North Shore.

Our ideal Youth Director will become an active member of our congregation, a voice for the youth in all places, and a person whose own faith journey is centered on Christ's teaching. Our new Youth Director will be in agreement with our denomination and church's mission.

Main Responsibilities include, but are not limited to:

- Building relationships with our youth at Bay Shore and welcoming new youth into our community
- Guiding our youth in faith formation through studies, activities, and more
- Leading high school youth group gatherings (goal, minimum 2 times a month)
- Working with Pastor 4 times a year to coordinate joint middle school/high school integration/events
- ELCA National Youth Gathering trip planning, fundraising, and attending
- Supporting and attending synod youth events as able.
- Communicating with youth and the congregation about happenings through texting, email, bulletins, Facebook, website, etc. with assistance of the Communications

Coordinator as needed

- Coordinate 1 Youth Sunday with Pastor, usually following a special event or trip
- Serve on Youth Committee with Pastor and Parents (meet quarterly)

We believe that this position would work well with someone who has other employment or is seeking a part-time position with some flexibility as they attend school or have other responsibilities.
